ENDRI SEFERI

Computer Engineering

MY PASSION FOR PROGRAMMING AND SOLVING PROBLEMS BROUGHT ME TO THE UNIVERSITY OF EPOKA WHERE I AM STUDYING ON MY BSCEN. I HAVE CURRENTLY FINISHED MY SECOND YEAR OF STUDIES AND DURING SUCH TIME I HAVE ACQUIRED DEEP THEORETICAL AND PRACTICAL KNOWLEDGE IN PROGRAMMING LANGUAGES SUCH AS PYTHON, SQL AND JAVA.

DURING MY STUDIES I HAVE UNDERSTOOD THE IMPORTANCE OF EFFICIENCY IMPORTANCE OF EFFICIENCY AND IN SAYING THIS, I FIND IT FASCINATING AND SATTISFACTORY TO DEVELOP PROGRAMS IMPROVEMENTS.

FURTHERMORE, THE KNOWLEDGE I HAVE ACQUIRED ON DATA STRUCTURES CLASSES GAVE ME THE ABILITY NOT ONLY TO UNDERSTAND THE IMPORTANCE OF EFFICIENCY BUT ALSO OF ORGANIZATION. IN ORDER TO ACQUIRE THROUGHOUT SKILSS, I HAVE GAINED SOME SELF-TAUGHT SKILLS INT PHOTOSHOP, ADOBE XD, PYTHON (WEBSCRAPPING; TKINTER; PYGAME).

IN THE FUTURE I ASPIRE TO LEARN NEW SKILLS ABOUT CODING AND DESIGN SO I CAN MAKE EVERY DEVELOPMENT OF MINE, EFFICIENT AND EASY TO USE FOR THE CLIENT.

Skills

PROGRAMMING LANGUAGES

- Python — 80%
- Html/Css — 95%
- JavaScript — 60%
- Java — 70%
- C++ — 70%

OPERATING SYSTEMS

- Windows 10/8 — 95%
- Ubuntu — 70%
- Kali Linux — 60%

DESIGN

- Adobe XD — 70%
- Adobe Photoshop CS6 — 60%

EDUCATION

2018- currently Bachelor on Computer Engineering
EEpoka University, Faculty of Architecture and Engineering

2014-2018 High School Diploma on Electronics
Institute of Harry T. Fultz

CERTIFICATES

Certificate of Participation
Harry Fultz Institute & Worcester Polytechnic Institute
Robotic Competition

Certificate of Participation
University of Tirana, Faculty of Nature Science, Department of Informatics
Corner of Young Programmers

Certificate
Udemy
JacaScript Course 2020

PLATFORMS

Visual Studio Code
Eclipse
Code Blocks
Unity
Anaconda

LANGUAGES

English
Italian
